ing F&B Skitter TV package. Go to www.fbc-tele.com to register and then download the apps for your favorite networks.

Lifeline program offers support for broadband, voice connections

Low-income assistance is available on certain F&B broadband Internet packages and voice service as part of the federal Lifeline program.

Lifeline is a plan that assists qualified low-income Iowans by providing a credit on their monthly service bill of up to \$9.25 for broadband and \$6.50 for voice. The voice credit was originally scheduled to be eliminated this month; however, it has been extended for another year.

To be eligible, your income must be at or below 135 percent of the Federal Poverty Guidelines or you qualify for one of several other financial assistance programs.

For more details and eligibility requirements, call (563) 374-1236 or go online at www.fbc-tele.com.

The assistance plan is funded through the federal universal service program.

Fiber Project Update

Drop conduit construction on F&B's fiber optic upgrade projects in Lowden, Bennett and Delmar is complete. Crews will continue to work as weather permits on pushing in fiber optic cable and splicing.

During the winter months, technicians will begin connecting customers to the new network in Lowden.
